**Subject:** Bines road partridge green housing development

[REDACTED]  
I'm writing to you to raise an objection to the new Croudace housing development planned for Bines road in Partridge green. I feel that the village is over populated as it is with no doctors , we can't get a doctors appointment as it is!! Also we have a very limited bus service. The water pressure in Bines road is ridiculous , we have to use a pump to have a shower!! More houses and more people would put more of a strain on our village and the extra traffic from extra residents and construction traffic would cause pollution to our beautiful village. I have lived here for 21 years. Please can you pass my objections to the planning committee .

Kind regards
