Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Reasons for comment:
- Highway Access and Parking
- Overdevelopment

Comments: Thakeham is already overdeveloped. Another 150 (or perhaps more) houses will add probably 200 further vehicle movements twice a day. The narrow lanes here are not sufficient to handle the existing volume of traffic let alone some 200 more. If the site is to be redeveloped it should be for light commercial and leisure purposes.

Kind regards
