Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Privacy Light and Noise
Comments:	There is already an issue with access to the new estate behind Whatley Hill estate as well as Founders lane. The high street is already congested. Other sites have already been approved for development taking the size of Henfield with an extra 300+ houses and the village cannot cope as it is.

Kind regards
