Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Design - Privacy Light and Noise
Comments:	This development benefits us as it reduces some overlooking from the top floors of 'Highwood House' to the North. The dimensions of the new fence appear to be very similar to the original fence but it is obvious the new fence is of higher quality. I cannot imagine why anybody would object to the scheme, other than to settle scores.

Kind regards
