Reasons for comment:	<ul style="list-style-type: none">- Highway Access and Parking- Other- Overdevelopment
Comments:	Family live in penn garrdens, Rectory lane has been a nightmare for years with the amount of traffic that use it as a cut through already, the hedges are all over grown. The footpath is awful and not safe. There is no room for the school to be made any bigger, the shop and chemist isn't able to deal with the amount of houses and people in the village now let alone the other developments in the village. There is no doctor surgery in the village, the waiting

list for an appointment in storrington and pulborough doctors now is atleast 3 weeks.

Kind regards
