Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Design - Highway Access and Parking
Comments:	The new fence line has improved the general appearance of number 43. Although the new fence does not restrict the view of the road for cars, the change to the fence has 'calmed' the traffic flow through what is a residential cul-de-sac. For some years now cars and delivery vans have been travelling to fast in the area.

Kind regards
