Stance: Customer made comments in support of the Planning Application

---

Reasons for comment:

Comments: We have been members of Leonardslee for over 5 years and greatly enjoy walking through the gardens with the peace and tranquillity it brings. All of the past improvements to the gardens and buildings have been done thoughtfully, sensitively, and with great quality. I have every confidence that the proposed new improvements will prove to be the same and will enhance our enjoyment of these wonderful gardens.

---

Kind regards
