Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Design - Other
Comments:	A great design of houses on a popular road. Great eco house plans and well thought out with regards to environmental research. The speed limit has now been reduced to 40, so much better for families and a great location. It's a much better alternative to larger housing estates and I'm sure they'll be great houses when built.

Kind regards
