Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none">- Loss of General Amenity- Other- Overdevelopment
Comments:	I believe this application to be inappropriate and merely a back way in to obtain retrospective permission for a dwelling and further expansion by the applicant for the area. As a frequent user (dog walker) of the paths around and leading

to Limekiln Farm, it is noticeable how much has been developed in the last few years and how the path is no longer a path but a well used track, which would become more and more heavily used by vehicles should this proposal go ahead.

Kind regards
