### Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Strongly object to access via Carter Drive. Carter drive of dangerous enough now. The road is narrow and a lot of bends. Have nearly had a serious accident with someone speeding. Along with parked cars on the road it cannot handle anymore traffic. There are a lot of young children living along Carter Drive.

It is not meant to be a through road. Absolute madness and a complete death trap to add yet more traffic
