Part of the submission documents included rental agreement bank statements for [redacted] and rental agreement bank statements for [redacted]

First rental agreement – [redacted]

On the 16/6/19 an 'Assured Shorthold Tenancy Agreement' was drawn up with a fixed term of 6 months and then continuing as a monthly contractual periodic tenancy until terminated in accordance with the agreement.

Bank statements show monthly rental payments being made up to 23/8/21.

The tenant started to face financial difficulties with payment amounts becoming irregular and also no payments being made between 23/8/21 and 24/3/22.

To mitigate the irregular payments and non-payments and to allow the tenant to continue residence, the Landlord agreed that in lieu, the tenant was to carry out groom duties within the paddock and stables owned by the Landlord until further notice.

On the 31/1/22 the Landlord gave notice requiring possession by the 31/3/22. (See Appendix A).

On the 23/3/22 the first tenant moved out just prior to the second tenant taking occupancy on the 24/3/22.

Second rental agreement – [redacted]

On the 24/3/22 a further 'Assured Shorthold Tenancy Agreement' was drawn up and put in place starting with a fixed term of 6 months and then continuing as a monthly contractual periodic tenancy until terminated in accordance with the agreement.

To date, the current tenant [redacted] remains in residency.
