Hi Halima,

I'm so sorry – Not sure how this one got past me, as Lee did forward it on to me.

I note that the two consultations relate to both the chiller compressor and extraction system respectively.

This Service accepts the conclusions drawn in both of the related Acoustic South East noise assessments and have No Objection to the Discharge of Conditions.

Kind regards.

Johno

URGENT

Hiya John and Lee,

I refer to Lee's email below, is there any update on your department's consultation comments in relation to the above case files?

Kind regards

Hi Johhno

Haima is chasing the discharge of noise conditions relating to the village taverna extract system.

Please can you let Halima have your comments.

Thanks

Lee
