Categories: Landscape/Heritage/Trees

Hello,
Thank you for your email. I can confirm:

- The tree is subject to a TPO
- Existing approximate height of the tree is 22.5m & the intention is to reduce to approximately 20m.
- Current canopy width is approximately 9.1m & the intention is reduce to approximately 7m.

I trust this is all the information that you need to process the application.
best Wishes
James
