Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	I live locally to the site and I object to this development. The access to Rock Road from this site is very poor. The road is a 50mph speed limit with a blind summit very close and it is very busy. There is no pedestrian route to this site. I believe it to be unnecessary overdevelopment of the area which could lead to more housing developments along Rock Road.

Kind regards
