### Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none"><li>- Design</li><li>- Overdevelopment</li><li>- Trees and Landscaping</li></ul>
Comments:	The proposed stable conversion is out of keeping with the Forest Grange Estate and its location within an Area of Outstanding Natural Beauty. The development is unnecessary and unsustainably located. The application lacks adequate information on structural integrity, utilities, water and sewage provision, power resilience, and the removal of the existing Klargester system, and fails to address arrangements for horses previously housed on the site

Kind regards
