Comments Details

Commenter Type:	Consultee
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	The proposed extension will be 4 metres closer to my property making the 21 metres back to back habitable less than this recommended uk law. with the new windows looking directly into my kitchen dining living room reducing my privacy even more . Maybe putting in obscure glazing or lowering the rear window height could be considered or screening

Kind regards
