Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Loss of General Amenity - Other - Privacy Light and Noise
Comments:	Washington Parish Council comments that there are missing dimensions in the application drawings, particularly of the roof height and window sizes. They note a neighbour's comments about overlooking and loss of privacy to their property. Therefore the Parish Council requests further information and dimensions to

properly assess the proposals and the neighbour's concerns. On this basis, the Parish Council objects to the application.
