Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	This is a lovely natural old ancient woodland area and loads of dog walkers and people use this land and area. It will ruin the area. And will add loads of cars into the already very road getting in and out of horsham. This has already been rejected planning before so should not be accepted. All the same arguments are still the same

Kind regards
