Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	I refer to the note from HDC Parks dated 18Nov 2026 and the necessity of the development site having to have a "kick about" area and outdoor green gym with the south west corner identified as the space. This will impact on the peace privacy and security of Melton Drive residents in that area as boundaries comprise short

wire fences .The fact that there is already a deficit of 1.86 hectares of open space in Storrington further strengthens the argument for not approving this development on this site.

Kind regards
