SUMMARY OF COMMENTS & RECOMMENDATION: See main comments	
<p>MAIN COMMENTS:</p> <p>Horsham Denne NC realises there is a high demand for starter homes in our area, but has the following queries and comments:</p> <p>1) HDNC would like more information about the reinstated new windows on the first floor. The proposed elevations appear to show that the windows will cause a reduction in height of the ground floor fascia but this is not detailed.</p> <p>2) There is reference in the Planning Letter to “minor” changes to floor levels but there is no information about which floors, or the extent of the change.</p> <p>3) HDNC would like to see the Conservation Officer's response before making a decision.</p> <p>Therefore, until we receive answers to our queries, HDNC objects to this application.</p>
