YOUR COMMENTS ON THE CASE

This ridiculous appeal for planning permission for a 'Boot Camp' is within the curtilage of the grade two listed building 'Forest Grange Manor'. It will create noise pollution, we at Forest Grange Manor are unable to fit double glazing due to its listed status. It will also create light pollution too. The owners of the land have no right of way over the private road for this kind of activity. The owners of the road will not vary the deeds and covenants to allow the public to access Tanglewood Equestrian over land that belongs to Forest Grange anyway.The public's only legal method of entry to this property is by parachute or helicopter. The proposers are troublemakers, lawless and one is previously bankrupt. I object to this in the strongest
possible terms.
