Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none">- Loss of General Amenity- Overdevelopment- Trees and Landscaping
Comments:	The current Mulberry Fields site is in a sad state of affairs, landscaping plans not followed, multiple issues with street lighting, flooding and a general lack of following the permitted development.

Houses at the front of the estate subsiding too.

I urge the council to not allow this development, a simple walk around the current site with the previous permitted plans to see the utter disregard Miller Homes has for following their own plans should be enough.

Kind regards
