Comments:

We completely object to this development not only will it directly impact us due Miller homes wanting to use Centenary Road as access to this site which is an absolute danger as this road is always full of parked cars and children playing and with heavy construction Lorries trying to get through an accident is going to happen !!! but that area is full of deer and other wildlife which we regularly see , Miller homes haven't even finished mulberry fields to a decent standard let alone building more houses , already our water pressure is so bad as we are in an area classified as serious water stress and there is not enough water to go around already !!!!!
