Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none">- Highway Access and Parking- Loss of General Amenity- Other- Overdevelopment- Trees and Landscaping
Comments:	Miller homes are zero consideration for their existing customers. They left the development in a state such as dead trees and never paths until conveniently they want to build extra

homes and all of a sudden try to right the wrongs they created over 5 years ago.

Not capable of following the environmental plan they submitted to Horsham council for the first development.

Centenary road cannot deal with an additional 100+ cars coming through to access the new development.

Kind regards
