Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none">- Highway Access and Parking- Overdevelopment- Privacy Light and Noise
Comments:	Centenary Road is already a rat run with the amount of cars/delivery vehicles driving in and out of the estate. The speed of vehicles going up and down is also a danger not to mention the amount of vehicles driving down Centenary late at night with loud music.

These additional houses will only impact an already busy road impacting those that already live in the estate

Kind regards
