THAKEHAM PARISH COUNCIL CONSULTATION COMMENTS

TO:	Horsham District Council – Planning Dept
SITE ADDRESS:	Westwells, Harbolets Road, West Chiltington RH20 2LQ
PROPOSAL:	Erection of a dwellinghouse and garage
REFERENCE:	DC/24/1822
RECOMMENDATION:	NO OBJECTION – SUBJECT TO CONDITION
SUMMARY OF COMMENTS & RECOMMENDATION: Thakeham Parish Council (TPC) Does not Object to the application.	
MAIN COMMENTS: Thakeham Parish Council (TPC) met and discussed the above application on 28.01.25. Original permission was granted for two dwellings but only one was completed. This was before the water shortages, which have led to all applications being water neutral. TPC would not object to the second dwelling as per the application as long as Water Neutrality was clearly demonstrated prior to planning consent being given.	
ANY RECOMMENDED CONDITIONS: Evidence of the application being Water Neutral
