Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none">- Highway Access and Parking- Loss of General Amenity- Overdevelopment- Trees and Landscaping
Comments:	This development will build on an already tight access road and stretched services and utilities. The needless loss of the countryside trees and walks in the area. The development is not in the Southwater local plan and Millers are taking advantage of the

Shipley parish. Commercially, if the Berkley homes are not selling or being built, it proves that there is no need for further development like this. I, my family and residents of Mulberry Fields strongly object to this additional development.

Kind regards
