Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Design - Other
Comments:	We wholeheartedly support this small, well thought out development using unwanted agricultural buildings that would probably soon just disintegrate through normal dilapidation. It is a very welcome change to the leviathan that is the west of Ifield development that will blight the area for the next thirty years. Homes England should be ashamed of themselves, the applicants here at Stumbleholme Farm are to be applauded.

Kind regards
