Subject: RE: Planning Application Consultation - DISC/26/0307 Oreham Manor Farm Oreham Common ENVH response

Hi Hannah

Thanks for the consultation request.

I have reviewed the Preliminary Contamination Risk Assessment, the Contamination Risk Assessment and the Remediation Method Statement all prepared by EAS Limited.
These reports are satisfactory and parts a), b), c), and d) to condition 6 can be discharged.
However, condition 6 should not be fully discharged until it is confirmed that the approved remediation scheme has been fully implemented.

Regards

Lee
