Horsham District Council
Planning Team

Letter by email 22nd September 2026

Good morning,

DC/26/1373 - Bramblewood Newhouse Lane Storrington West Sussex
Extensions and alterations to existing chalet bungalow, and erection of new detached dwellinghouse.

Washington Parish Council's Planning & Transport Committee discussed these proposals at its meeting on Monday 21st September last.

Members commented that, in their opinion, it was not clear if the applicant is proposing to extend the existing property and replace the garage with a separate dwelling, or as referenced in the Design and Access Statement, if they are replacing the existing property with two completely new dwellings?

The Committee resolved to make a comment of objection on the basis of insufficient clarity of the proposals.

It would be helpful if you could please clarify the proposals and if these will be re-submitted with an opportunity for the Council to comment in the future. Our next meeting is Monday 16th November 2026.

We look forward to your response.

Kind regards
Zoë Savill
Clerk to Washington Parish Council
