## Comments summary

Dear Sir/Madam,

Planning Application comments have been made. A summary of the comments is provided below.

Comments were submitted at 04/10/2025 2:45 PM.

### Application Summary

**Address:** Land West of Ifield Charlwood Road Ifield West Sussex

**Proposal:** Hybrid planning application (part outline and part full planning application) for a phased, mixed use development comprising: A full element covering enabling infrastructure including the Crawley Western Multi-Modal Corridor (Phase 1, including access from Charlwood Road and crossing points) and access infrastructure to enable servicing and delivery of secondary school site and future development, including access to Rusper Road, supported by associated infrastructure, utilities and works, alongside: An outline element (with all matters reserved) including up to 3,000 residential homes (Class C2 and C3), commercial, business and service (Class E), general industrial (Class B2), storage or distribution (Class B8), hotel (Class C1), community and education facilities (Use Classes F1 and F2), gypsy and traveller pitches (sui generis), public open space with sports pitches, recreation, play and ancillary facilities, landscaping, water abstraction boreholes and associated infrastructure, utilities and works, including pedestrian and cycle routes and enabling demolition. This hybrid planning application is for a phased development intended to be capable of coming forward in distinct and separable phases and/or plots in a severable way.[cr]

**Case Officer:** Jason Hawkes

**Address:** 11 Aldingbourne Close Ifield Crawley

## Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	<p>I am objecting to this planning application on many grounds.</p> <ol style="list-style-type: none"><li>1. Loss of environment for local flora and fauna</li><li>2. Loss of amenity in the Ifield Golf Course</li><li>3. Overdevelopment - density of traffic and loss of routes. Extra cars on already congested roads.</li><li>4. Water neutrality - there is not enough water or sewerage facilities in the area to cope with this development.</li><li>5. An inspector's report was produced earlier in 2025 and found this plan to be unsound.</li><li>6. Pressure on local services: East Surrey hospital is already overstretched.</li></ol>

Kind regards
