Comments Details

Commenter Type: Member of the Public

Stance: Customer made comments in support of the Planning Application

Reasons for comment: - Design

Comments: I strongly support this application.
The design & construction of the property exceed all of the
requirements to provide a forever home.
The build would be sympathetic and In keeping with all adjacent
properties.
I know Mr & Mrs Brewer are passionate about building and
creating a home that will meet all of there future needs.

Kind regards
