Comments:

This development is having a huge detrimental impact on Pickhurst Lane, local wildlife and the surrounding area. Neighbours, local residents and visitors to the area have watched in horror and disbelief as the majority of this development has occurred since a "Stop Notice" was issued by you on the 28th February 2025. It is totally out of place in this countryside setting. The health and wellbeing of 7 horses kept on such a small area of land would be of great concern. A more suitable location needs to be found.

Kind regards
