Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none"><li>- Design</li><li>- Highway Access and Parking</li><li>- Loss of General Amenity</li><li>- Overdevelopment</li><li>- Trees and Landscaping</li></ul>
Comments:	I wish to object to the proposal on the basis of the disruption the building vehicles will cause to the local area with the safety risk of having such vehicles in the close proximity of the childrens playground. In addition the proposed building will be out of character with the

existing properties, overdevelop the area causing issue with lack of parking for residents and ruin the landscape and existing green.
