Reasons for comment:	<ul style="list-style-type: none">- Highway Access and Parking- Privacy Light and Noise
Comments:	As a regular visit to a Roland's Road property immediately in front of the proposed building area, I feel that the parking would be a nightmare (it's already bad). To spoil a really nice green space and restrict outlook onto it for the properties involved would be terrible. The upheaval and mess and noise would also be unbearable.

Kind regards
