Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity
Comments:	This is a beautiful space, loved and used by so many people. It would be awful to build on a space like that! What a crazy idea to put a property in a little green space like that, there are already so many other building projects around. This would be terrible for the local community

Kind regards
