

1. Do not scale this drawing. Use figured dimensions only. Any dimensions taken from CAD files are to be verified against figured dimensions or by BGC.
2. This drawing must be read in conjunction with all relevant Architects, Engineers, Specialist Manufacturers and Contractors drawings and Specifications.
3. Any differences arising between these documents and/or variations between drawings and site conditions are to be referred to the Architect and Engineers.
4. All work is to be carried out in accordance with Health & Safety Regulations and to the full approval of the Planning Supervisor.
5. The Contractor must check and verify all dimensions before commencing and work and report any discrepancies to the Architect and Engineers.
