Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Design
Comments:	My stance is broadly neutral regarding this application at planning stage. The concern that I have likely relates to matters which fall under Buildings Regs: 1. as the flat roof of the converted conservatory will be higher and appears to attach to the main building above the existing guttering, provision of drainage needs to be considered.

Kind regards
