HORSHAM DISTRICT COUNCIL CONSULTATION

TO:	Horsham District Council – Planning Dept
LOCATION:	Red House, Horsham Road, Cowfold
DESCRIPTION:	
REFERENCE:	DC/25/1140
RECOMMENDATION:	~~Advice / No Objection /~~ Objection ~~/ More Information / Modification / Refusal~~
SUMMARY OF COMMENTS & RECOMMENDATION: The proposed solar panels will harm the special interest of the listed building.	
MAIN COMMENTS: Dear Jacques, Red House is a good example of an early nineteenth century villa sat within generous grounds. It illustrates a polite, classically inspired architecture that is typical of its period. The panels are a modern technology and will be an incongruous feature fitted to an exposed roof slope with a large degree of visibility from the garden and the road. They are a conspicuous feature that will draw undue attention when viewing the historic house. This will have a harmful visual impact on the special interest of the listed building. This harm is less than substantial and in the middle of that scale. Regards, Seán
