Information being requested – Please answer the following questions as fully as you can. Any information you can provide is important. Thank you.

1.	Do you know the site and if so from about what date and how? e.g. because you are a neighbour or have been there or seen activity etc.	I moved to my current address (as above) in June 2020 and the occupants of Windmill Lodge were my neighbours.
2.	Do you know who operates from the site or lives there? If so who?	As far as I am aware the occupants lived there with their young family.
3.	Are you aware of the Activity described above and if so from when. How would you describe what goes on or what is there? What do you know of the use or development that exists and how do you know? Does it affect you in any way i.e. noise, traffic, views?	I can confirm that the occupants lived there with their young family and it was their home. The husband had a full time job and his wife worked part time. I am not aware of any development.

P.T.O.

Please be advised this is the second time I have had to complete this questionnaire and I have provided you with exactly the same information.

4.	Would you like to tell the Council anything else that you think the Council ought to be aware of at the Site?

Nothing I can think of other than the PUBLIC ROAD to the property is in dire need of repair and I would welcome a member of your team to come out and view the state of this PUBLIC ROAD.
