Planning Statement for Replacement Signage at Collingwood Batchellor - 104 Bishopric Horsham RH12 1QN

The purpose of this planning statement is to support the application for the installation of new signage at Collingwood Batchellor - 104 Bishopric Horsham RH12 1QN, replacing the existing outdated signage. The updated signage will enhance the visual appeal and functionality of the premises, aligning with both current branding needs and modern aesthetic standards.

Materials and colours have been carefully selected to respect the local architectural context, while ensuring improved visibility and accessibility for visitors. The new signage will also comply with all relevant planning and safety regulations, maintaining a professional appearance that contributes positively to the streetscape.
This update reflects a commitment to maintaining high-quality, visually cohesive business premises in East Grinstead, supporting the local economy and the community's overall vibrancy.
