Subject: DC/24/0220 Seventh photographic report by Dr Case

Dear Amanda,

As you know, we circulated, on behalf of Dr Case, a shortened version of her seventh photographic report in this matter to all the councillors on the Planning Committee North. The latest much longer version has now been produced and we have added it to our Horsham Planning Dropbox folder with all the others under the title "7. Seventh photographic report version 6" in the *Reservoir Field/Case reports/Reservoir Field/Photographic reports* sub-folder. Please kindly upload this to the portal for this matter in time for the meeting on Tuesday.
