Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other
Comments:	The access to these homes will be down a narrow road into open green belt land. The road quite often floods and the access via Rectory Lane is already over crowded with parked cars. Ashington also cannot sustain more homes as the infrastructure is not there i.e the school is very small and there is no doctors surgery or other health centres

Kind regards
