Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none"><li>- Highway Access and Parking</li><li>- Loss of General Amenity</li><li>- Overdevelopment</li></ul>
Comments:	The village already has two developments under way. This further development will place intolerable strain on the already stretched resources in the village including school, medical facilities, police etc. in addition this was not scheduled for development in the Neighbourhood Plan we all voted for.

Kind regards
