Reasons for comment:	- Design - Other
Comments:	Dear Planning Team, I am writing in support of the planning application submitted for 1 Smithbarn, Horsham (Reference: DC/25/0397), which includes proposals for a side extension, front porch extension, rear/side extension, new external finishes, and the relocation of the boundary fence. As a resident living directly across the street at 4 Smithbarn, I have reviewed the notice provided and wish to express that I have no objections to the proposed changes. In fact, I believe the improvements will positively contribute to the overall appearance and modernisation of the neighbourhood. The proposed relocation of the boundary fence and the structural changes appear to be in keeping with similar enhancements made by other neighbours both on our street and in the surrounding area. These upgrades have collectively improved the visual appeal of the community and supported a more contemporary streetscape without detracting from the area's open and welcoming character.

From my perspective, the planned developments do not present any significant impact on the street scene or the character of the neighbourhood. I fully support the application and look forward to seeing the improvements it will bring.

Please do not hesitate to contact me should you require any further information.

Yours sincerely,

[redacted]
4 Smithbarn
Horsham, West Sussex
RH13 6EB
