Reasons for comment:

Comments:	<p>The road leading directly out of the proposed development (Rectory Lane) isn't big enough now for the current residents of the immediate area and will most certainly be thoroughly inadequate if more houses are built.</p> <p>School isn't big enough.</p> <p>There aren't enough facilities like a surgery in the village and the ones we have in the surrounding villages are already oversubscribed.</p>

Kind regards
