Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I comment as a neighbour to the property, owning and farming the surrounding land. In its current state Downies Cottage is a tired, energy inefficient and unsuitable family house. The proposed plans will not only overcome these shortfalls but also give the property a more appealing appearance and put it in balance with the adjacent dwelling.

Kind regards
