Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Design
Comments:	We are writing to express our support for the above planning application for the site directly opposite our home. We believe replacing the derelict barns with two attractive, well-designed homes and landscaped gardens would be a welcome improvement to Wychwood Lane. We feel the proposed development would sit well within the character of the lane, transforming a neglected site into an attractive, well-maintained space and making a positive contribution to the local area.

Kind regards
