Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Loss of General Amenity - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	The only difference we can see to this new planning application is the site is no longer sectioned and is one large site. The planned building location has not been altered, therefore our previous objections in terms of design, loss of general amenity, over development of a residential site, privacy, light and noise and trees and landscaping all still remain.

Kind regards
