### Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity
Comments:	The development runs contrary to local plans and as such is considered to be riding roughshod over previously well considered issues. What is now going to be the effect on near by land if the application is agreed? I suspect it will open floodgates. The aspect of highway access and parking is of course very important. The roads in the area cannot support more traffic, they

are very narrow and poorly maintained. Pedestrians already run the risk of injury without an increased volume of traffic. I strongly object to this application.

---

Kind regards
